If tuition continues to be late, then that family's name will be brought before the school board for consideration of dismissal. **Please remember we count on you to pay your tuition in a timely manner, so we in turn can pay our staff and other accounts.**

Forgiveness of Money due: No one person can forgive a debt due to the school. Staff and administration are not able to forgive a debt or make alternative payment arrangements. Only the Board of Directors of CCA can.

Late Enrollment: When a student enrolls on or after the first day of class, tuition is prorated based on the portion of the quarterly grading period to be completed. During the first two weeks of the school year, 100% of the tuition is charged. After the second week, the tuition will be prorated.

Vacation, Holidays, Illnesses: Tuition and other program fee credits are not available for vacations, holidays or illnesses.

Result of Late Payments/NSF Checks/Delinquent Accounts: A \$50 fee will be automatically invoiced for tuition that is more than 5 days late. For additional fees billed, a late fee of 20% of the total fee amount will be automatically invoiced if payment is more than 5 days late. A \$25 fee will be charged for any check that is returned from the bank unpaid. Failure to maintain timely payments per the financial agreement agreed upon with CCA may jeopardize the child (ren)'s enrollment. Students may not be admitted for the second semester, or re-enrolled for the following year, while there are delinquent amounts outstanding. All accounts must be current prior to the beginning of each semester. Any fee not paid after 30 days will be brought before the school board for consideration of dismissal. Additional late fees may be applied if the balance is not paid after 30 days.

Other Variable Charges:

CCA may charge various fees in addition to those published in our financial agreement. These fees may be related to student activities, athletic participation, book usage fees, etc. These amounts will be invoiced from our CCA office and are due payable on the first of the following month.
