IMPORTANT INFORMATION

You are responsible for purchasing your child’s curriculum and having it on the first day of school. *Students without their curriculum will not be allowed to attend classes.*

K-8 Bible Curriculum:

Families can choose the Bible Curriculum that best fits their child(ren) and Bible learning will continue to become a time of discipleship for parents. CCA is providing a list of suggested programs. Teachers will still do devotion each school morning and of course most of our curriculum is biblically based. Parents will log their Bible time at home and turn into teacher. A list of suggested Bible Curriculum is available.

Deadlines for Curriculum

CCA recommends buying new curriculum from Homeschooling from the heart OR another CCA parent; this allows little chance of improper editions or texts. If you choose to purchase outside of our recommendation, please understand you are responsible for any additional costs incurred and your child may not be able to begin classes without the proper books. If curriculum is paid for and ordered from Homeschooling From the Heart no later than July 16, 2009 then your curriculum is guaranteed to be delivered in time for the start of school.

IMPORTANT INFORMATION

You are responsible for purchasing your child's curriculum and having it on the first day of school. *Students without their curriculum will not be allowed to attend classes.*

K-8 Bible Curriculum:

Families can choose the Bible Curriculum that best fits their child(ren) and Bible learning will continue to become a time of discipleship for parents. CCA is providing a list of suggested programs. Teachers will still do devotion each school morning and of course most of our curriculum is biblically based. Parents will log their Bible time at home and turn into teacher. A list of suggested Bible Curriculum is available.

Deadlines for Curriculum

CCA recommends buying new curriculum from Homeschooling from the heart OR another CCA parent; this allows little chance of improper editions or texts. If you choose to purchase outside of our recommendation, please understand you are responsible for any additional costs incurred and your child may not be able to begin classes without the proper books. If curriculum is paid for and ordered from Homeschooling From the Heart no later than July 16, 2009 then your curriculum is guaranteed to be delivered in time for the start of school.
