

Home Education Day

Student(s) Name: _____ Date: _____

This is an optional project/Assignment. Parents can choose to not have their student complete the assignment and their student will be marked absent for the Home Education Day. To receive “present,” this signed form must be turned in on the first day back. Please either place them in your student’s communication folder or hand to Laura at the front desk. There are no exceptions and we will not accept them on any other day (unless student is absent on the first day back).

Directions: Student should choose at least one activity or project from each row. Each student should complete, at minimum, 3 hours of school work to receive credit for school attendance (present). Circle what your student chose.

Read a book or article about the topic.	Attend an activity, ceremony or event about the topic.	Interview someone who knows about the topic.	Watch an age appropriate documentary concerning the topic.	Find an interactive website with grade appropriate information that the student can explore by reading, doing interactive games, etc.
Create a rap/song/poem about the topic. Use detailed information obtained from the first row.	Write an essay/story/play about the topic. Use detailed information obtained from the first row. You can also draw pictures to illustrate.	Create a poster of facts using the detailed information obtained from the first row.	Create a power point presentation. Use detailed information obtained from the first row. You can also use a program like Prezi or other similar program to create your presentation	Illustrate a comic strip using the information obtained from the first row.

You may have come up with another great idea. Tell us what you did: _____
