

CURRICULUM 2022-23 7th GRADE

Consumable Curriculum: These are the books your student writes in, cuts apart and uses – or consumes. CCA purchases these in bulk to help save you time and money. CCA invoices you for these items and they will be handed out at the Parent Training in August.

Non-Consumable Curriculum: These materials can be used repeatedly: textbooks, teacher’s manuals, etc. You purchase these materials and can get them new or used. Suggested places of purchase: Amazon, Rainbow Resource, Christianbook.com. If you are on Facebook, be sure to join the CCA Curriculum Board, which is where parents can post their used books for sale.

Please Note: You are responsible for ensuring your materials are available the first day of class and that your student has the correct edition. We recommend ordering by July 8, 2022.

Need Help? If you have any questions, please contact Amanda White at awhite@discovercca.org or call/text 308-249-7591.
