

Kindergarten 2023/2024

Below you will find the books and supplies you are responsible to purchase for the 2023/24 school year.

These are only the books and supplies YOU need to purchase, everything else will be provided by CCA, either through the consumable curriculum program or will be checked out to your student for the duration of use. To see a list of all the 2023/24 curriculum, follow this link [Curriculum & Supply List \(discovercca.org\)](https://discovercca.org/curriculum)

Please Note: You are responsible for ensuring your materials are available the first day of class and that your student has the correct edition. We recommend ordering by July 8, 2022. Your student will not be allowed to start school if you do not have all of their curriculum.
