2:30-3:30	Enrichment Elective Selection	Enrichment Elective Selection	Enrichment Elective Selection	Enrichment Elective Selection	Enrichment Elective Selection	

- Algebra 1, Physical Science and Latin 1 are high-school-level courses and receive high school credit. All courses in 9th - 12th grade receive high school credit.
- Classes are available to students in different grade levels to meet graduation requirements. Placement testing and/or prerequisites may be required.
- For a more robust classroom experience, we may combine grades. In this case, non-sequential subjects are offered in alternating years.
