Required Summer Reading Log
Entering Sixth Grade

Name _____

We hope you encourage your students to immerse themselves in good reading this summer! Students entering 6th grade are assigned one required summer reading book. Depending on your student's reading level, the book can be read independently or used as a family read aloud. The student should select one of the required reading books from the list below. In addition to the required book, we have created a list of quality literature that your student would enjoy. They are welcome to read any of these or other books that might interest them. Students will earn a dress down pass for every two grade level appropriate books they read this summer. They can earn a maximum of five dress down passes.
